

OUR MISSION

2023-2024

CORPORATE SPONSORSHIP PROGRAM

“To be the Northwest’s premier ski racing program, developing athlete skills and character for life.”

ABOUT CMAC

Crystal Mountain Alpine Club (CMAC) is a 501(c)(3) non-profit organization (Tax ID #91-0873529), predominately volunteer organization founded in 1963. CMAC is for skiers of all ages who enjoy competitive ski racing as well as advanced free skiing. Our coaching staff is dedicated to helping racers at all levels achieve their personal ski racing goals. Funding depends entirely upon tuition, fundraising activities and donations from our supporters and sponsors.

PHILOSOPHY

CMAC's philosophy is to provide a program that is fun and enjoyable for all participants while developing strong skiing skills learned through structured training and directed free skiing using the entire mountain. This creates strong racers and excellent skiers with a deep love of the sport. The CMAC philosophy not only develops successful ski racers, but skiers who will participate in the sport throughout their lives. This philosophy also develops life skills that transcend sports.

SUCCESS

CMAC alums have successfully competed in national and international competition. Most recently two alumni - **Scott Macartney** and **Libby Ludlow** - raced in the Olympics for the US Ski Team - and then came back to coach the younger athletes providing CMAC the strongest coaching staff in the Pacific Northwest.

FUNDING

CMAC is a non-profit 501(c)(3) volunteer corporation comprised of racers, their parents, coaches, alumni, and friends. Funding depends entirely upon tuition, fund raising activities and donations from our supporters and sponsors.

CMAC offers many levels of sponsorship that will give your company recognition and exposure to the members and families of CMAC, race spectators, as well as the tens of thousands of skiers visiting Crystal Mountain each year. Given the high cost of skiing, and the even higher cost of ski racing, means that your company will receive full exposure to a higher educated, higher income, and higher net worth audience.
